IF THE CYCLONE COMES TODAY

When a tornado comes—your property goes. Will it be replaced at your expense or ours? This sort of insurance only costs \$4.00 per thousand for three years on dwellings, and \$5.00 per thousand on mercantile lines for three years. Isn't it cheap? It is far better to have a policy and never need it, than not to have one if you DO need it. Are we right? Call us on the phone No. 37, for further information. GARDNER & GARDNER First door north Post Office. 53tf

Catarrh Can Be Cured

WHOOPIING COUGH

This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, codeine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Mist people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.
